

**Who can help me in my school?**

**I'm leaving but with nowhere to go...**

**Skills Development Scotland Careers Advisors:**

...are adults who work in your school and community.

They can offer you face to face advice, information, support for next steps in your career plan and possible pathways as well as developing your career management skills.

**Subject Teachers:**

... are Teachers in your school.

They can tell you about the skills you are learning in their subject and what careers and jobs those might lead to.

**Pupil Support Staff:**

... are teachers in your school.

They can help you with subject choices and how to find out about your options after school

**Youth Services:**

...is an adult who works with your school and in the community.

They can help you achieve your goals by advising on opportunities for wider achievement in and out of school.

**Supporting Learners Officer:**

... is an adult who works in your school.

They can help you if you are finding it hard to join in with school life.

**Employability Link Worker:**

...is an adult who works in your school

They can help you work out your next steps if you have nowhere to go but are ready to leave.

**My WoW website:**

Use your account to explore your career options, how to learn and train and how to get a job.
