

Langholm Skills for Work

Langholm skills for work is a partnership between all DGTAP Partners including Skills Development Scotland, Xcel and Langholm Initiative to support local people access employability services.

- Are you over 16 and looking for work?
- Are you unemployed, not in training or further education?
- Do you have barriers preventing you from finding sustainable, lasting employment?
- Do you want to upgrade your skills or qualifications?

We can help **support** you to create CVs, look for work, fill out application forms and provide advice on interview techniques.

Our **dedicated** team can help build your confidence, overcome barriers to employment, provide information and advice and help you to access other services.

Fortnightly from Monday 22 January 3pm - 5pm
at Xcel Project, Market Place, High Street, Langholm

No appointments necessary

Please contact Duncan Elliot, Xcel on **013873 808886** or Jason Railton, Langholm Initiative on **013873 80914** or contact on details below.
