

Creative Ambitions

Thursday 5th October

10.00-14.00

Henry Duncan Building, Dumfries and Galloway College

Looking to develop and grow your creative business?

Want to learn about the support that is available to grow your business and further your creative practice?

You will have the opportunity to attend presentations exploring: the challenges and opportunities facing creative businesses, support for innovation, how to effectively market to your customers and audience and how to secure investment as a sole trader or social enterprise.

This event has been put together by members of Dumfries and Galloway's Creative Industries Working Group who will be on hand for you to talk to regarding business issues, employment and training, intellectual property rights, innovation, advancing your creative development and digital marketing.

There will also be lots of opportunities throughout the session to mingle and network with other creative businesses.
