Are you Loreburn's Next Apprentice?

Are you aged between 16 -24 years old and interested in a career in a fast paced and innovative working environment that values its people and ideas?

This is your chance to become a modern apprentice in a forward thinking and ambitious organisation!

What is a Modern Apprenticeship?

A modern apprenticeship is the opportunity to earn while you learn, gaining essential work experience whilst also completing a qualification to help you kick start your career. At Loreburn we work with a local training provider to offer the successful candidates the opportunity to gain an SVQ Level 3 and 4 qualification in Business and Administration over a 2 year period.

"9 Months in I have enjoyed every part of it. In the Customer Engagement team I deal with Allocations, Social Media and a wide variety of different tasks. No day is the same, which is what I love most about working here!" Ryan McGhie, Modern Apprentice
