

Dumfries and Galloway's vision is that all young people will receive an appropriate offer of post-16 learning, training, employment or personal skills development with 100 % positive destinations for all school leavers in Dumfries & Galloway.

Planning forms part of the process for ensuring there are opportunities available for all young people on leaving school.

Planning for the Future - suggested model:

Question sheets shared with pupils pre option interviews (S2 onwards) with support for pupils to help them research career aspirations, local labour market information and a wide variety of pathways. (SDS & My WoW / Opps 4 All team)

During option interviews questions used as a prompt and 16+ page completed on SEEMiS

Employability planning from S2/3 to leaving school:

- Raising awareness of options & opportunities / pathways
 - Developing skills
 - Accredited learning / qualifications
 - Participation in (accredited) work based learning
 - Developing a plan for the future
- } Wider ECG's

Preparation for transition from school:

ECG's to focus on support for those without a secure / appropriate +ve destination
